A LADY'S EXPERIENCE After Her Husband HAD SPENT ALL HE WAS WORTH.

GADSDEN, ALA., Dec. 21, 1890.

Dr. J. B. MARCHISI, Utica, N. Y.

Dear Sir: About one year ago I was near my

worth and all he could make for doctors' bills,
and I continued to weaken 'util my physician told me I could not live sixty days, and
have all the decrease in the State could not saye. that all the doctors in the State could not save my life. A friend persuaded me to try Dr. Marchisi's Uterine Catholicon. I have taken three bottles and now am as stout as ever. Have gained from 98 to 163 pounds, and can do as much work as I could at sixteen. Mrs. AMELIA H. BOX.

Dr. Marchisi's Uterine Catholicon and Cleansing Wash cures all Female Complaints no matter how long standing. Builds up the strength creating a natural appetite, giving color to the cheeks and the sparkle of health to the eye. For sale by all Druggists. The law intends that those who have to be supported out of the 2 75 public funds, shall be relieved with 7.74 the least expense possible, consistent with humane action. It is not 14 65 intended that persons (except in the 145 00 cases pointed out in the statute) 7 60 shall be kept in their homes at the public expense. County Infirmaries 5 15 are provided by law for all those 12 50 who are PERMANENTLY in need of public relief. In our investigations we have 21 75 been confronted with the old question as to the length of the Commissioner's Report, and the expense 8 68 of publishing the same. Section 917, of the Revised Statutes, requires county commissioners

Stoves, paints, etc... Frank Kessier, 13 86 to make "a DETAILED report of their 21 09 financial transactions," and further provides that the same shall be Repairing, papering, etc. "published in COMPACT FORM." Both this Section and the diction-2 00 aries are accessible to the people. One extreme view would be that 9 13 the report should show separately Ha dware, paints, etc Dr. w. D. Mansfield, *
Medical services....
Peter Keller. 11 50 each transaction, however small; an-4 95 other would be that the amount expended for each purpose should be One suit of clothes... 5 75 stated in gross-that is, so much 85 GENERAL BILLS FOR CHILDRENS' for Bridges, so much for Relief of

Poor, and so on. It must be correct to say that the object of publishing 40 40 the report is to furnish information 11 57 to the people generally of those financial transactions in which every 41 tax payer and many non tax payers have a direct interest

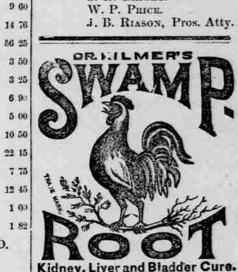

It may be that the fault is in the 10 00 legislation. If so, complaints 132 50 should be made to the law making power. While the law stands it must be obeyed. In our opinion 53 50 the published report should be so 9 50 far "in detail" as to enable the ordinary citizen to determine by read 3 90 ing the same, whether there has 48 00 been fraud, extravagance or gross mismanagement. We think the amount expended for the benefit of each county office should be stated 3 15 separately.

1 45 There is a striking difference in amounts paid the several townships 5 30 for Outside Relief to the Poor, and 3 70 this does not seem to be accounted 32 45 for in all instances by difference in amount or condition of population. 15 29 A little more DETAIL in this depart-7 35 ment might correct what would seem to be a possible wrong.

In conclusion, we desire to com-7 50 mend the officers having charge of our financial affairs, for their gen 10 66 eral economy as evidenced by this 2 6. report.

We find the accounts kept in plain, business-like way, the vouch 10 78 ers all kept in good order, and the re 24 20 port carefully and neatly prepared We have been cheerfully afforded 28 70 all information asked for by Audi tor Armstrong, and for this cour-7 93 tesy we desire to express our 15 60 thanks.
